

Profile – Mr. Asanga Weerackody – Managing Director

Eagle Logistics Colombo.

Mr. Asanga is the creator and current Managing Director of Eagle Logistics Colombo. With over 26 years of experience, he began his career in the Logistics Industry in 1992 at UTI and Schenker International as a Sales Rep, and to this day, he is one of the few Managing Directors playing this vital role on the field. He is also a football freak, not only supporting his favourite team Arsenal, but also by playing at a club level in Sri Lanka. His main hobby is interior designing. He has also designed and deployed innovative products into the logistics environment such a 4PL Shipping Desk Service, a Shipping Management Platform BRIDGE as well the e-visible Supply Chain Magazine.
